

WAA Para Classification Hub
April 1-2, 2014
Phoenix AZ

The WA Classification Hub for World Archery Americas will be held in conjunction with the AAE Arizona Cup.

Para archers who are competing in the Para WRE, and have paid the entry fee of \$215, may also receive a classification.

Para archers who are not competing in the Para WRE, but who want classification need to register and pay fee of \$50. To register for classification only, please [click here](#).

Any archer participating in the AZ Cup only, but needing classification must also register and submit a fee of \$50.

All Para archers who intend to go through classification must submit WA Medical forms by March 22, 2014 to Randi Smith. Forms are located on the event listing page, [click here](#) and scroll to the bottom of the page.

If your classification does not allow you to shoot in the Para WRE, you may still compete in the AZ Cup in the appropriate division.

If you need to file an appeal to classification, contact the classifiers at the Hub. Any appeals will be sent to the WA Para Classification committee for review and action.
